President Lisa opened the meeting at 5:05 P.M. with the opening of Martin Luther King's "I have a Dream" speech, in honor of his birthday this week.

**MINUTES:** The minutes of the 5 January meeting were approved unanimously. (Don/Lisa)

**PROGRAM**

- We have returned to Zoom as a meeting medium because Teams doesn't allow members without access to a computer to participate. (Some of us may be in a situation where they must use a phone.)
- The evening's program was an opportunity for us to get to know each other better, with an emphasis on our family and community racial/ethnic & socio-economic condition while we were 0 to 14 years old (elementary through middle school age). We shared our stories abundantly! This allowed our newer and longer time members to learn a lot about each other as personalities and backgrounds. It took up our entire meeting time and made us think about our own attitudes and experiences related to current social problems.

The meeting closed at 6:01 P.M. with Byron reciting the 4-Way Test.

Our next Teams meeting will be on Zoom at 5:00 P.M. on 2 February.

Respectfully submitted,  
Frances Moore, Secretary
