

Spirit of Rotary Awards

This award recognizes a business in the community and individuals who exemplify the true Spirit of Rotary by active participation and involvement in the community and by demonstrating their ethics through their actions throughout the year. The recipients are selected by a diverse committee of Canby Rotary club members. The candidates must be involved in service projects and must observe the Four-Way-Test in their business and personal lives. All of these men and women exemplify our Rotary Motto to live a life of "Service Above Self".
