

Lake Oswego Interact Club and Shelter Box Refugees

Activity Report of 12/14/2015 by Ted Ricks

Holiday Cheer - instead of participating in the LO Rotary Annual Christmas Basket community service (Eric Sasadeusz, however, was there), the LO Interact club chose to help the Syrian Refugees in Jordan through raising funds for ShelterBox USA. They decided to wrap presents for donations at the Fred Myers store in Tualatin, OR.

After contacting the local manager for permission, space, and tables, the nine members assembled wrapping paper, ribbons, tape, cards, and a bottle labelled 'Donations' and set up "shop" in the breezeway of the Tualatin Fred Myers on 99W from 10:00 AM to 2:00 PM. They are Radhika Subrahmanyam, Greg Bisbjerg, Rachel Winningham, Ann Krauss, Johanna Brunson, Katy Fayloga, and David Boden (missing from this photo are Nick Fernandez and Samantha Hoevet).

They wrapped dozens of gifts (Radhika was the hands down best!) and raised enough money for the purchase of a water filtration system for a refugee family (\$100+). And, they had fun doing it.
