Peter Glazer – 2 Truths & 1 Lie

- When Peter was a teenager he loved Top 40 radio. He also liked politics. If you asked him then what he would do as an adult he'd have told you that he either wanted to be a disc jockey or President of the United States
- In Peter's first five years as a lawyer he prosecuted two murder cases and defended two murder cases. Three went to trial, one within 60 days of the defendant's arrest, unheard of in today's criminal justice system. He won three out of four
- It was at Peter's house, at a dinner party, that I first saw the game of Two Truths and a Lie played by all the dinner guests. It inspired me to use Two Truths and a Lie to introduce some interesting facts about the Rotarian who gives the Thought for the Day
