

Lake Oswego Rotary

January 25, 2016

*Steve Andrews provides vision and leadership to establish and grow successful banks. With over 20 year's industry experience, he has led four community banks as CEO with a focus on profitability and efficiency.

*Steve has actively serve the financial industry as a four -term (12 years) board member of the Independent Community Bankers of America and also served as the Chairman and President of the California Independent Banks during his 16 years on their board. Currently Steve is serving as a Board member of the Independent Community Banks of Oregon.

*As an industry advocate, Steve has testified as an expert witness on numerous occasions in front of Congress, the California State Finance Committee, and to various state and federal regulatory agencies. He has recently held positions as a banking ambassador to China, an instructor at the Pacific Coast Banking School and a guest lecturer at the China America Business & Education Center – California State University East Bay.

*When not in the banking world, you'll find him hiking, swimming, on the tennis court and spending time with his family, friends and colleagues.

* Life path - NJ to FL to CA to OR

- Colleges – University of FL, CA State University – Chico
- Teaching – Cal State University – East Bay
- Teaching – Pacific Coast Banking School
- Rotary Clubs – Pleasant Hill, Lafayette, Alameda, Lake Oswego

Two Truths and a Lie - Steve Andrews

Steve had cocktails with Federal Reserve Chairman Alan Greenspan where he attempted to introduce his then young daughters to the Chairman.

Steve had lunch with Federal Reserve Chairman Ben Bernanke where he questioned Chairman Bernanke's position regarding Fannie and Freddie.

Steve testified in front of Barney Frank, Chairman of the House Finance Committee regarding excessive bank regulation for community banks.
