

Lake Oswego Rotary

February 15, 2016

Mark Buser

Born: 11/26/1967 in Malden Massachusetts. Never lived more than 2 blocks from the ocean in San Diego. At age 6, retraced the journey of Thor Heyerdahl of the famous Kon Tiki expedition with my family. My Dad navigated with the same navigation tools (sextant & charts). The only difference was we were on a 50 foot yacht and departed from San Diego.

Family: Married to Julie and have a son 14 and daughter 18 at West Linn high school. We also have a dog and cat.

College: Graduated in 1992 from the California Maritime Academy with a BS in Marine Engineering Technology and a Third Assistant Engineer Steam and Diesel License.

Career #1: Sailed as Third Assistant Engineer aboard NOAA Research Vessels doing scientific research in the Pacific.

Career #2: Financial Advisor – A.G. Edwards / D.A. Davidson / Johnstone Financial Advisors (current)

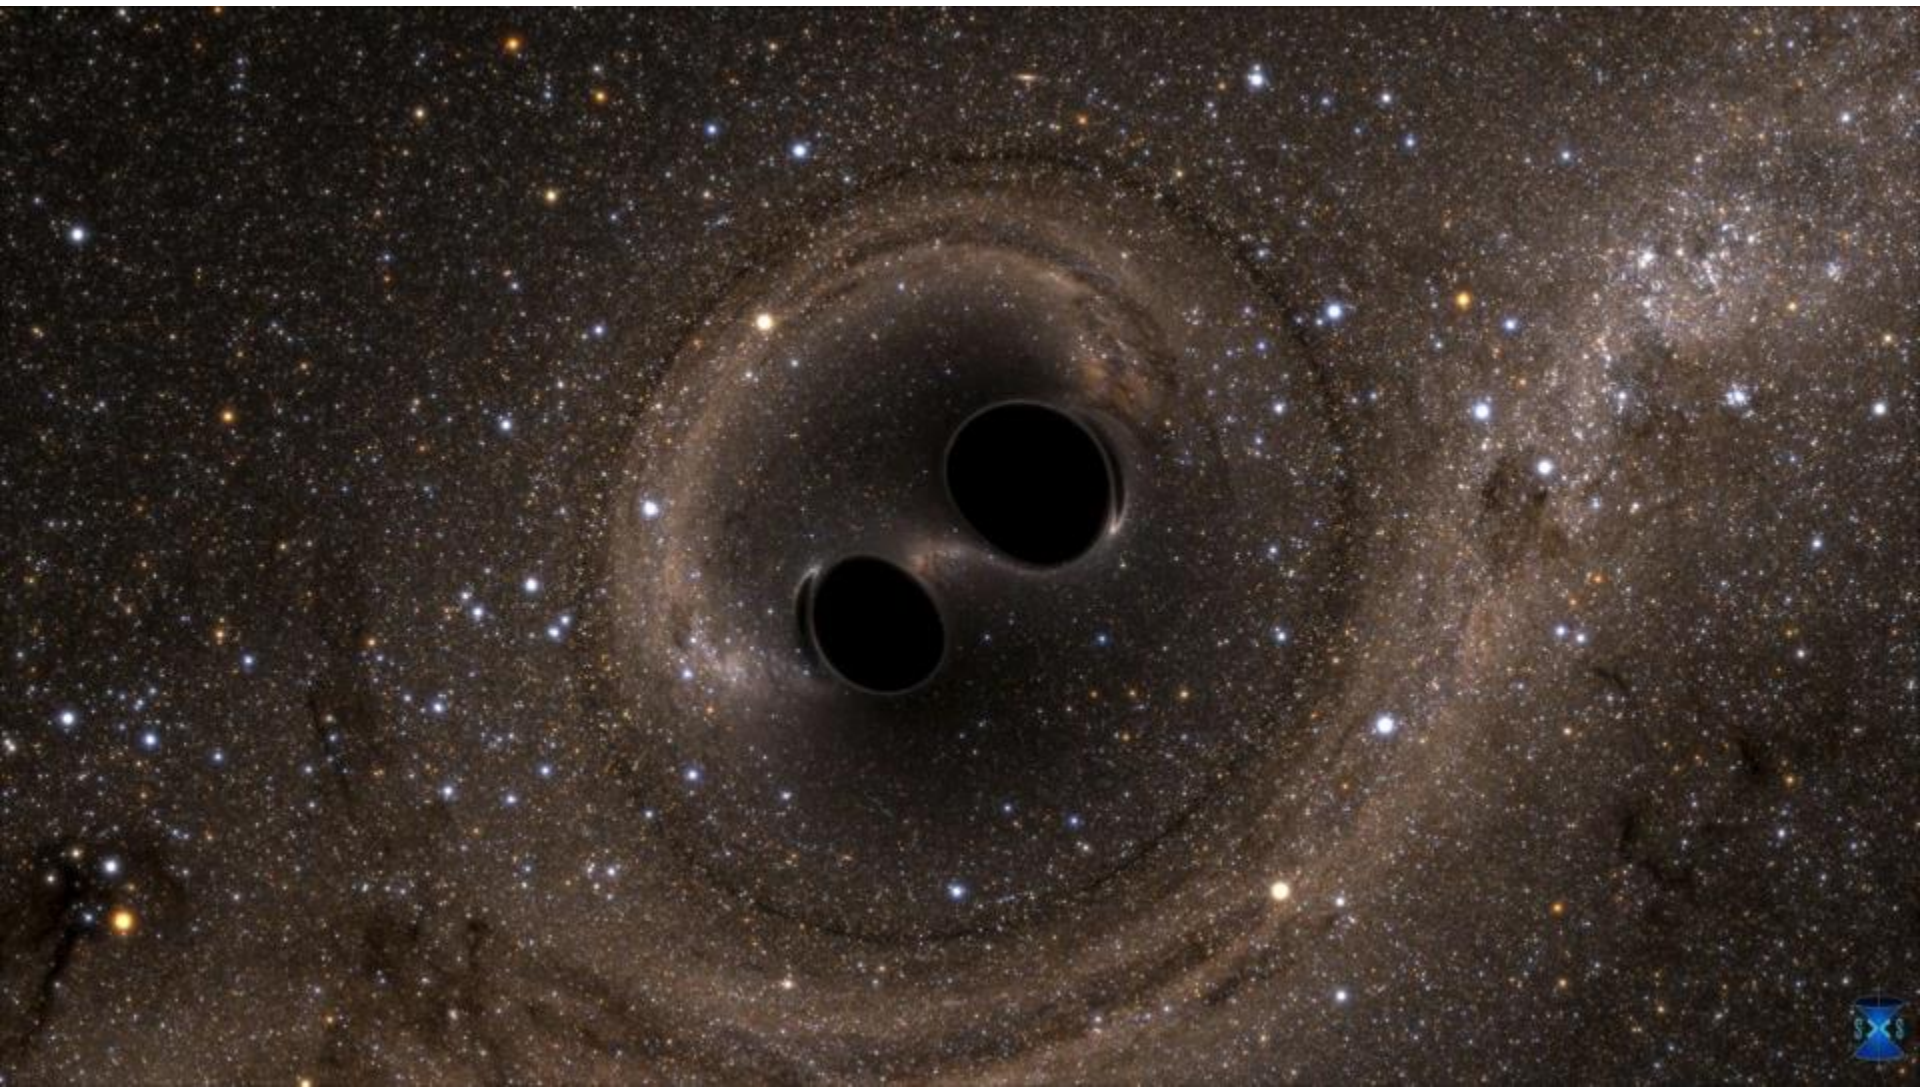

Rotary Committee: Community Service – Rotary is my conduit for volunteering in the community. I also serve on the Arts Council Board and am Chairman of the development committee.

Mark Buser – 2 Truths & 1 Lie

- At 24, I proposed to a 35 year old married woman wearing socks and a loaner blazer in the Rainbow Room atop the Rockefeller Center.
- At 6, my parents left me at a New Zealand gas station for 2 hours. It wasn't until after an hour driving that my two sisters, sitting in the backseat, finally let them know I wasn't in the car.
- At 47, I completed the Coeur d'Alene Ironman (2.4 mile swim, 112 mile bike, 26.2 mile run) in under 12 hours.

Welcome Visitors & Guests

Wine Monday Host

W CW

• WORLD CLASS WINES •

Thank You for your supporting
Rotary and The Lobster Feed

Want to buy the wines served today??

Fill out a order form or see Malcolm Mathes
