**Why I chose to become a Rotarian:**

Rotary's local and international efforts are amazing. I appreciate the diligence of the organization to keep its members active. Lake Oswego has a fun, active group of participants and I feel privileged to be member.

# Andy Weathers – 2 Truths & 1 Lie

- Although I enjoyed the climate, I moved away from my birth place of Ankara, Turkey to be closer to my family.
- Catching Fred Armisen and Carrie Brownstein in the midst of a dance-off at a local Karaoke bar, I immediately rushed the floor to cheer on Fred!
- I once found myself walking all the way across a fully deserted downtown Seattle at 10:00pm. From Capitol Hill to SafeCo field, I was the only human on the street.

Welcome Visitors & Guests!

HAPPY 90<sup>th</sup>, DEE!
