Rotary District Conference Speaker

- ▶ Dr. Whitlock has been in Rotary for over 25 years. When Dr. Whitlock was a principal in Duarte Unified School District, she was asked to join the Rotary of Duarte. She was the second woman to join the Duarte Club and it was because of the membership of women that Duarte was removed as an official Rotary Club. At that time, women were not allowed membership in the Rotary Club. Duarte sued Rotary International and won which changed the face of Rotary forever and for the better! Dr. Whitlock went on to be the first woman Rotary President and is now District Governor.
