Lake Oswego, OR 97034

Peace Village is a week-long day camp for children ages 6-13. During this day camp, participants will learn to respect differences and to resolve conflicts peacefully through a variety of classes and activities. Our core curriculum includes:

Conflict Resolution: Campers will learn specific skills to resolve conflicts within their families, with friends, and in their communities.

Media Literacy: Campers will learn how to be savvy with social media and learn how to discern the messages they receive through all types of media.

Mindfulness: Campers will learn to create peace within themselves through practices of mindfulness, such as meditation and yoga.

Connecting with Nature: Campers will participate in outside activities to learn and play in the natural world, and explore our interconnectedness while building stewardship.
