Rotary Thoughts and Goals for 2016-2017

1. Emphasis on Education both locally and internationally
2. Importance of Education as a way to combat poverty
3. New Programs such as SASEE to increase the value of service in our educational community
4. Scholarship Winners and Endowment Fund.
5. Education in Tanzania, Guatemala and Belize
6. Engagement through Committee Structure
7. Emphasis on Vocational Service. What are you proud of that you have accomplished through your vocation and what skills or aptitudes that you learned in your vocation can you bring to Rotary.

8. Put the Fun back into Fundraising
9. Finalize our Strategic Plan
