Martin Luther King Peace Quotes

- We must build dikes of courage to hold back the flood of fear
- That old law about “an eye for an eye” leaves everybody blind
- The time is ALWAYS right to do the right thing
- Peace is not merely a distant goal that we seek, but a means by which we arrive at that goal
- There never was a good war or a bad peace.
- When the power of love overcomes the love of power the world will know peace
