ROTARY FELLOWSHIPS

Rotary Fellowships are groups of Rotary members who

- Share a common interest in recreational activities, sports, hobbies, or professions
- Further their vocational development with others in the same profession or field
- Enhance their Rotary experience by exploring new opportunities and making connections around the world

HOW ROTARY FELLOWSHIPS OPERATE

ROTARIAN ACTION GROUPS

Rotarian Action Groups help Rotary clubs and districts plan and carry out community development and humanitarian service projects in their area of expertise. The groups are organized by Rotarians and Rotaractors who are proficient, and have a passion for service, in a particular field.

HOW ROTARIAN ACTION GROUPS OPERATE

- Each group functions independently of Rotary International establishing its own rules, dues requirements, and administrative structure.
- Membership is open to Rotarians, their family members as well as participants and alumni of all Rotary and Foundation programs.
