# Shalla Wilson

**\*\*My family is originally from Hawaii although I was raised mostly in Washington state.**

**\*\*I started with Ben Bridge Jewelers, a family managed company based out of Seattle, shortly after graduating high school.**

**\*\*Then I moved to Las Vegas where I started my gemological studies with the Gemological Institute of America and became a Registered Jeweler, which I must pass a recertification exam each year for through the American Gem Society.**

**\*\* I now manage one of our independently owned and operated Pandora boutique stores in Washington Square Mall.**

**\*\*Growing up I used to watch a lot of Mr. Rogers and one thing he said was that 'when he was a boy and would see scary things in the news his mom used to tell him to look for the helpers, you will always find people who are helping.'**

**\*\*I want to be a Rotarian mainly because I want to be one of the helpers.**
