Dictionaries For L.O. Schools

Linda Brown

- ▶ **RESCHEDULED FOR JANUARY**
- ▶ The schools have over 75 students receiving books and about 6 Rotarians at each event.
- ▶ Be sure to arrive 10 minutes early to set up, plan on spending about 30 minutes at the school and be ready to share more smiles than you can count!
- ▶ Email or call Linda (503-789-2939 linda97034@gmail.com) so she can tell the school secretary who will be coming.

THANK YOU AGAIN ROTARIANS!

- 63 Needy Families in our community will have a brighter holiday because of You!
- Food Cards to our families in need!

Allocation Grant—Lake Oswego Reads

- ▶ The Lake Oswego Public Library has selected ***Rise of the Rocket Girls: The Women Who Propelled Us, from Missiles to the Moon to Mars*** by Nathalia Holt as the 2017 book for its award winning citywide reading program.
- ▶ ***Rise of the Rocket Girls*** is the true story of the women called “computers” who launched America into space. In the 1940s and 50s, when the newly created Jet Propulsion Laboratory needed quick-thinking mathematicians to calculate velocities and plot trajectories, they didn't turn to male graduates. Rather, they recruited an elite group of young women who, with only pencil, paper, and mathematical prowess, transformed rocket design, helped bring about the first American satellites, and made the exploration of the solar system possible.
