Alan and fellow Rotarians -
Thank you so much for allowing
Beau and I to come speak
with your club about the Lakeridge
Debate Team. Thanks to your generosity,
all of our teams did exceptionally well
at the State tournament. One team finished
as octa-finalists, one as quarter-finalists,
and one team finished 3rd! We are so
proud of our students.

Why Fathers matter:

63% of youth suicides are from fatherless homes.

80% of children who do poorly in school are growing up without a dad.

95% of men in prison grew up without a dad.

Children growing up without a father are 2-3 times more likely to:

- live in poverty
- use drugs
- be a victim of child abuse
- experience educational, behavioral, and health problems
- engage in criminal behavior

Make your best guess after meeting them and listening to their interviews.

She has been an active participant in school programs and clubs including National Omega Honor Society, Laker Crew, cheerleading, Laker Round Table, track, and soccer.
