## Levich picked as 'cream of crop' of travel agents

Beth Levich of Lake Oswego emerged at the top at the inaugural Global Travel Marketplace West in Tucson, AZ on May 2 to 4.

Levich, owner of Cruise Holidays of Portland and All About River Cruises, emerged from 443 applicants to be chosen as one of 76 travel agents to participate in a series of meetings, boardrooms and networking events.

"It was an honor and privilege to be included in GTM's

conference," Levich said. "Being the best in the industry means keeping up with what is new in the world of travel. New adventures are what memories are made of. That's what the GTM conference offered."

LEVICH

"The agents who attended this event were the cream of the crop," said Alicia Evanko-Lewis, vice president of Events, Travel Group, Northstar Travel Media. "The expertise and experience they offer their clients is second to none."

Evanko-Lewis said the chance for the elite travel agents to be included in the conference gave them a great opportunity to collaborate with like-minded agents in North America.

## About Rotary

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

Rotary membership provides the opportunity to: Become connected to your community. Work with others in addressing community needs. Interact with other professionals in your community; assist with RI's international humanitarian service efforts. Establish contacts with an international network of professionals. Develop leadership skills. Involve family in promoting service efforts.
