PEACE POLE PROJECT

MAY PEACE PREVAIL ON EARTH.

That is the simple wish of the World Peace Prayer Society (worldpeace.org) and the mission of the Peace Pole Project (peacepoleproject.org).

Peace Poles bear the message "May Peace Prevail on Earth" in the languages of the world and are now recognized as one of the most prominent international symbols of peace. It's estimated more than 200,000 Peace Poles have been dedicated worldwide, in nearly every country on Earth.

Studio M has partnered with artist Stephanie Burgess and the World Peace Prayer Society to help spread this message of peace and hope. Our Peace Poles are made in the USA with the same attention to detail and quality as our Studio M art poles.

Join the growing movement to inspire a world united in peace by displaying one of our 4ft or 6ft Peace Poles.

A portion of our Peace Pole proceeds will benefit the World Peace Prayer Society.
