PEOPLE OF ACTION

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities and in ourselves. Rotary is the largest non-governmental organization in the United States and features clubs in every state in our country.

Solving real problems takes real commitment and vision. Through meetings, social events and volunteer projects, our members learn about issues facing our cities and areas all over the world. We partner with local, national and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

“The Rotary motto, ‘Service Above Self’ is why I joined. The Camas-Washougal club is one of the friendliest and most active groups and always welcomes new members.”

MAKING A DIFFERENCE

Rotarians work to improve our communities, promote good health, mentor a new generation of leaders, improve educational opportunities, advance environmental stewardship, promote good health worldwide through disease prevention and access to clean water, provide disaster relief, and make our world a more peaceful place.

Our Rotary Club is a proud part of the Camas and Washougal communities and of Rotary International. Our community and business leaders represent a variety of professions, experiences, and perspectives with the shared desire to make a positive difference.

“I have been a Rotarian for 23 years for the sole purpose of joining with my club members, and 1.2 million Rotarians world world-wide, to take actions benefiting our communities and our world.”
