## From the Desk of President JC

Greetings fellow Camas Washougal Rotarians!

**Please join me in recognizing our 2020-2021 CWRC President, Richard Renton.** Last Friday our Peace Building Committee honored Richard by placing a Peace Pole.

Richard's Rotary year was filled with challenges, Covid and all. Our Club has been recognized in our region as being the strongest with regards to maintaining our membership during those times. We went to zoom during Nan's year and built on it. Richard has also been instrumental in making our Hybrid meetings happen. Amazing!

**Thank you for your year as our President Richard!**

Lots of exciting events are on the calendar.  
Please check the dates in the newsletter  
following my message.  
See you at BINGO Night this week!

The project involves removal of invasive plants, that is ivy & holly, with maybe some planting of potted plants along Campen Creek of Mable Kerr Park in Washougal. Campen Creek feeds Gibbons Creek which flows into Steigerwald Lake Wildlife Refuge.

## **Refuel Update**

On Friday March 25th Rotarians cooked and served 142 meals to go to those in need at the Washougal Community Center. It was truly a team effort and this project really exemplifies "service above self,." If you missed out there are (3) more dates we will be serving:

**July 22**

**December 9**

Contact Bill Maniscalco for more information.
