PAULA HANCOCK

***“Gentle is Paula’s Nature

Adapted from “A Gentle Soul”
by Trina Graves

Paula joined the Rotary Club of Florence in 2016 and embodies what every Rotarian aspires to be; unassumingly gentle, kind, loving, generous, empathetic and altruistic.

Paula is one of those people who, when called upon for assistance, jumps in immediately, without question, doing whatever is needed. The outstanding support she has given to the Rotary is demonstrated in her:

- Multi-year participation on the Grant Committee
- President of the Rotary Club of Florence Foundation
- Indispensable assistance supporting the annual Soroptimist Christmas Basket program, the Annual Rotary Golf Tournament and many annual Rotary activities and programs

Outside of Rotary Paula is a woman of action:

- Nicknamed “Auntie P”, she loves spending time with her friend’s children, Emma and Maci, making Gingerbread Houses, horseback riding and spending time in nature.
- Paula is talented in needlework and enjoys passing this knowledge down to the next generation. Great Niece Taylor, 9 years old, recently finished her first hand-knit project.
- Traveling with friends is a passion. Recently she has explored Ireland and Spain with many more trips planned.
