Which college, technical school or vocational school are you planning to attend?  
Have you been accepted?

What will be your college major? If enrolled in a technical or vocational school,  
what is your intended area of study?

Please provide the following additional documents with your application:

- 1) A short essay describing your future goals and why college is important to achieve those goals.
- 2) Three letters of recommendation.
- 3) Scholastic achievements & awards.
- 4) Current high school transcript.
