Submitted By Chris Walton

- 1) March Board Minutes reviewed and approved with note that CNW will complete letter to members with outstanding dues balance
- 2) Committee Reports - Program Committee has meetings planned though August. Youth Services - RYLA attendance is still a question
- 3) Continuing discussion on Fundraising - currently our principle source is lunch/raffle/happy dollars
- 4) Delta participation in District Conference - concern about last-minute details and co-ordination. Kim Meyers is co-ordinating Silent Auction and Delta basket.
- 5) Reviewed topics presented at last Board mtg by RG - felt some merit but also concern for some negativity(she has apologized for some comments). Also concern about continuing comments on meeting site
- 6) June Board meeting suggested to be in person and to function as a Mini-retreat for incoming Board Members preparing for Curtis's year as President and setting the tone for the year
- 7 Next meeting will be Zoom on Wed May 17 from 12pm - @ 1:15pm
