

UKIAH ROTARY AND RYLA

Rotary Youth Leadership Awards was started in Australia in the early 1950's, and first started in district 5130 in 1990.

Our district sponsors a 6-day training camp for high school students during the summer between their junior and senior years. While at camp, the students—who come from all parts of District 5130—attend seminars and workshops put on by motivational speakers, community leaders, and Rotarians. The participants have the opportunity to exchange ideas about current issues and discuss leadership and career opportunities. The students then are asked to assume leadership roles in selected activities: These activities have evolved from Camp Yearbook, Camp Daily Newspaper, Public Speaking/Social Events, Photography, Video Recording, Camp Skits, and Leadership Booklet, to the current list consisting of: Writing, Debate, Art, Performance, Critical Thinking, and Organization.

Following is a list of Ukiah Rotary Sponsored Attendees, and the Ukiah Rotarian Selection Committee
