6/18/18 Rotary West

Chris rang the bell at 12:30 sharp

Westin led us in the Pledge and Darcy's son "Bubba" provided the moment- "If you don't do great things, do small things in a great way." MLK

Darcy's son Eric aka bubba and Ken Prouty's son Rob were guests of Rotarians today.

Bruce M. shared with us that he and his lovely wife will be relocating to Arizona. They will be missed.

Anya reported that her 3 year old and 7 month old are keeping her busy.

Westin missed last week because he was visiting his in-laws in West Virginia

Mojinder was recently at the shakespeare festival and will be doing some extensive travelling in the near future. Visiting 5 countries with names ending in “stan” over a 20 day period. In October he will be heading to Southeast Asia.

Scott had the opportunity to spin to win. No luck this time, but Chris was feeling generous and gave him the wine anyway.

Ken’s son Rob attempted to pick the black checker. He choose red.

Next, Denise C. introduced our guest speaker.

The Chief of Police Hank Schroeder.

He has been a peace officer with the Santa Rosa Police Dept. since 1991. He worked a variety of assignments in patrol and investigations throughout his career as an officer.

He touched on many issues. Homelessness is a hot topic.

They can't do all that much. There are many mental health and dependence issues. They are having a difficult time moving these people into services.

He is also having a difficult time finding qualified staff.

Something he mentioned that was interesting is the fact that in Sonoma county some 7000 syringes are being given out per week.

He was asked about the wednesday night market and he told us that ever since it was moved from thursday to wednesday, it been smooth sailing.
