Corporate Attendance Requirements as of July 1, 2018

The Rotary Club of Redwood City has a goal that every Organizational Membership (OM) will maintain 100% by having at least one Organizational Membership designee at each meeting. That doesn't mean that everyone needs to come to every meeting, but it does assume that one member will ALWAYS be in attendance.

At least 50% of your attendance should be at our local club.

If you can't come to our club then you should do a "make-up" either 14 days before or after the missed meeting. Be sure to tell the secretary about your make-up and get your attendance marked in the club record. Corporate members are not eligible for make-up lunch credits. A great many activities also qualify as a make-up so please ask your mentor for assistance.

Organizational Membership Executive Designate acknowledgment: I have read the Membership Application and the Membership Information Guide. I understand the financial and attendance requirements that apply to each Organizational Membership (OM).
