

MY WORLD, MY FUTURE Second Uganda Art Competition

THE TEAM: BRENDA NAMULI, HERBERT MUYINGS, BRUNO BUKEERA, DEB LUYIMA, JULIE KISAKYE

The students of Ssaku Senior Secondary School in Nsawa Village who participated in the very first art challenge our Club sponsored, followed the theme of drawing portraits of their favorite hero. The results were incredible. Medals were awarded to the winners, and they were anxious to participate in the next competition. They couldn't wait to get started. The Uganda team decided to require the students follow the new theme they titled: MY WORLD, MY FUTURE. Here then are the results of that event. Please keep in mind that a few of the drawing you will see, while intense, represent the

untangling of the students emotions through the art of drawing. After all, it is their world and their future.
