

6/8/22

Dear Rotary Club,

This letter is coming from the desk of an 11 year old buisness kid, Luke Keefe of the Creston 4-h group. I will be going into 7th grade at San Luis Obispo Classical Academy. I play baseball, basketball, soccer, football, pig riding, and diligently spending my mornings with my hog, Star.

I have been working hard to train and groom my locally bred and fed Blue Butt barrow hog

to show at the mid-state fair  
in paco robes this year.

My hogs' name is "Sweet and  
sour Star", which is a name that  
refers to his attitude, of which  
is a wild card. He is sometimes  
a star at walking and other  
times he is as stubborn as a  
broken-down truck. The star part  
of his name comes from an  
irregular cute star on his nose.

He and I will be showing the  
week of July 25th - July 29th

and will be presenting him  
in the market sale at the Junior  
Livestock Auction on July 30th  
in the auction arena at the  
mid state fair in Paso Robles.

Hopefully I can count on  
your support at the auction  
this year. Following the sale  
of my market hog, I will be  
saving 50% for college, 25% in  
savings, and 25% I will get to  
spend on baseball gear for my  
upcoming Babe Ruth season.

Training Star was fun and I  
hope eating him will be too

Sincerely,

Luke Keefe
