Dear Father Matt,

I am writing to say Thank You for your support, morale building energy, and your 11th hour thoughts of the Guatemala Project. Because you made a phone call, the ball got rolling again and now we have a project.

Thank you for being such a special person and for being you. Whether you realize it or not, at my life junctures in the past 25 years since I joined Rotary, you have been a source of strength and hope....without exception

even...if I had 9 lives,
I couldn't thank you
too many times!

Thank you!

With more gratitude than words could ever express.....
