Dear Gary,

Thank you for opening your winery for the Rotary District 5240 Governor social event last night. Your new pizza oven works great! We also appreciate the use of your bar-b-que grill to prepare the baby back ribs.

The hospitality of you and your staff is a joy for our club members who enjoy this social event. It is nice to share food, drink, and good conversation with our fellow North County Rotarians, and you make us feel at home. Thank you very much.

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Hollenbeck".
