Dear Richard Chafin and Rotary members:

Thank you for your continued support of Loaves and Fishes. We are grateful for your very generous June donation of \$1000.00. Your gift will indeed go a long way in meeting the needs of those that are served at the center.

As we contemplate what the year might bring our way, we are grateful that we are able to meet some of the needs of those who are in less fortunate circumstances. Due to your giving we have been able to provide food as well as children's clothing and propane to the many people that request help from us.

Contributions such as yours allow us to carry out our mission to help feed the needy of the Atascadero area. So we extend to you special thanks for your generosity and your concern for the less fortunate of our community.

Warm Regards,

Nancy Gloye

Dear Rotary Club of Atascadero,

RISE, our staff, and the families whom we serve, would like to extend a sincere thank you for the very generous donation of \$1000 to our agency. Donations like yours allow us to keep operating costs low, ensuring quality and confidential care to victims of sexual assault and intimate partner violence and their families.

Last year, RISE, formerly SARP/NCWS, provided services including a 24-hour crisis hotline, emergency shelter, crisis intervention and counseling services, preventative education, self-defense classes, legal advocacy to over 2,000 women, men, and children affected by sexual assault and intimate partner violence. Our two shelters have 32 beds between them and the capacity to house 8 families at any given time and we provide free shelter, food, clothing, personal supplies, and household products that make a shelter stay feel safe and comfortable. We could not provide these crucial services as effectively without the dedicated support of our donors.

As our agency continues to grow and expand, we look forward to extending our services and empowering even more victims of intimate partner violence and sexual assault and their families. Thank you for your generosity and commitment to our cause. Together we can make a difference in our community and beyond.

With gratitude,
