Santa Margarita, CA 93453-1026

Dear Ron:

On behalf of the Board of Directors for Partnership for the Children of San Luis Obispo County, I want to thank you, once again, for making a presentation on behalf of Tolosa Children's Dental Center to the Rotary Club of Atascadero.

Partnership for the Children has made great strides over the last ten years to increase access to dental care for more and more underserved children each year. But, as more families qualify for subsidized care (as a result of the ACA) and no new providers join the subsidized care network, the demand for services at Tolosa Children's Dental Center continues to increase. And, so does the work of PTC to find more sources of support to cover the gap between reimbursements and expenses.

In order to do that, we realize we must 'get the word out' to more people about the important role Tolosa Children's Dental Center plays in providing access to pediatric dental care in San Luis Obispo County. Therefore, thank you for helping us as we work towards this endeavor!

Sincerely,

Barbara Nicholson  
Executive Director  
Partnership for the Children of San Luis Obispo County
