The Treasurer will report the status of all overdue accounts receivable and deferral agreements to the Board monthly.
- F. Fiscal Year.** The Club's fiscal year is from July 1 to June 30.
- G. Social Events.** The cost of all non-budgeted social events, that do not have a "mandatory charge" in accordance with this Continuing Resolution, shall not be taken from the General Fund of the Club, unless otherwise approved by the Board. It is expected that the entire event will be self-sustaining through fees paid only by those members who participate in the event unless otherwise approved by the Board. However, for accounting purposes, all income must be deposited into the club's general fund, and all expenses must

be paid out of the general fund. The Club Treasurer shall be given copies of receipts for all expenditures, and a report of all income.

- H. Club Accounts Receivable.** The Treasurer shall be responsible for collection and special charges on members' accounts and shall be responsible for collection of fines and other debts incurred during the meetings or otherwise. Notwithstanding any of the above, any "fines and other debts incurred during the meetings" may be added to a member's account for collection by the Treasurer by utilizing an IOU. The Club Service Director shall be responsible for obtaining IOUs from the members during club meetings for any special recognitions. Also, event charges may be added to member's accounts and collected by the Treasurer if prior approval of the Board has been received. Lunch costs shall not be charged to a member's account and shall be paid by the member the day of the lunch. Exceptions to charges for lunches may be made by the Board for special events.
- I. Club Accounts Payable.** Club bills shall be paid on a timely basis unless the Board has approved a delay. The President or Board may authorize cash advances. Members may be reimbursed for certain reasonable expenses incurred for Club purposes. Reimbursement shall be made by check upon presentation of the appropriate receipts attached to a written request.
- J. Rotary International Convention.** The Club will reimburse the President-elect for the expenses he/she incurs for attending the Rotary International (RI) Convention with his/her spouse or domestic partner. The reimbursement amount will be based on a not-to-exceed budget prepared by the President-elect and approved by the Board. The budget must be approved by the Board before the President-elect registers for the convention and makes any travel arrangements. Expenses eligible for reimbursement are listed below.
1. Cost of transportation by the most economical means consistent with the trip.

- N. Balance carried forward for multi-year projects.** Funds may be carried forward to the next fiscal year for projects that the Board approves for funding from the current year but which cannot be expended until a future fiscal year. A special checking account entitled "Atascadero Rotary multi-year projects" or a special accounting fund shall be established for these special project funds.

Deposits to this "Atascadero Rotary multi-year projects" account can only be made when the Board approves a special resolution that states:

1. The amount of funds to be deposited for a specific purpose.
2. The specific purpose or project use of the fund. This shall not be a general term such as "Community Service" but shall be a specific project such as "contribution to the City of Atascadero to insure the construction of a new Traffic Way entry sign."
3. The anticipated timing of the expenditure.
4. A deadline not to exceed three (3) years by which time the expenditure must be made. This deadline may be increased by future Boards.

All deposits into this account shall be under the control of the then current Board and shall have the same signature provisions as Article III.B., of this Continuing Resolution. In the event that the funds are not expended by the deadline or in the event that the proposed project is deemed unfeasible or abandoned, and in the event that the then current Board does not extend the deadline, then the funds deposited for that purpose shall be returned to the regular club checking account and may be utilized by the then current Board for whatever purpose it determines is appropriate without prejudice from the original intent of the funds.

The Treasurer is the custodian of Club financial records including checks, receipts and financial records. The Rotary Club of Atascadero acknowledges the Rotary International goal of record keeping to be maintained in electronic form, and further acknowledges that Rotary District 5240 has arranged for clubs to utilize the internet web site "Box.com" as a currently free location where electronic records can be maintained. The organization and storage of the Club's records electronically is the responsibility of the Club Secretary. (We may want to consider updating this as all records are being kept on Club Runner electronically).
- C. Club Meeting Minutes.** Minutes of club meetings will reflect general topics discussed and directions given or action taken. Minutes may reflect the number voting for or against any motion but will not indicate how each Board Member voted. In the event that a Board Member wishes their particular vote or abstention from vote noted, it will be done so at the Board Members request. All votes will be decided by a vote of the majority of the Board in attendance at a meeting at which there is a quorum, unless otherwise limited by the Club Bylaws. Club meeting minutes shall be uploaded to the Club's website by the Club Secretary.
- D. Insurance.** The Club will purchase event liability insurance coverage at the beginning of the fiscal year. Also a Directors and Officers insurance policy will be acquired. Additional insurance may be required for special events. The Board will approve all insurance policies. Copies of the insurance documents will be maintained by the Club Secretary.

All senior players and senior cheerleaders, and coaches, athletic directors, and school principals are guests. Lunch is held at each club in alternating years; the other club is dark that week. The lunch will be in Atascadero in 2016. A written agreement concerning the financial arrangements between the two clubs will be confirmed each year. The charge for this event is \$20 and will be charged to all members whether or not that member attends the event.

Holiday Lunch: (Arrangements are the responsibility of Club Service) Held prior to Christmas in December. The Atascadero High School usually provides musical entertainment. Holiday Lunch No. 2 (optional): (Arrangements are the responsibility of Club Service) Depending upon the day that Christmas falls on and the last day of school, there may be a second Wednesday before Christmas that would be appropriate for a Christmas Holiday theme.

Valentine's Lunch: (Arrangements are the responsibility of Club Service). Special luncheon event on TBD. Persons romantically linked to members are invited to the club meeting. Special provision will be made for the luncheon. Guests will be charged the normal luncheon charge. Typically the Interact Club has a bake sale auction during our lunch as their fund raiser for their club.

C. Recurring Events. The following are recurring events associated with the Rotary Club of Atascadero.

District Governor's Visit: (Arrangements are the responsibility of the President). The Board will meet with the District Governor regarding club matters, before lunch, and also host the District Governor for dinner. The District Governor is scheduled to visit on the date identified in Article 2, Board of Directors. Typically a joint reception of the clubs within Group 11 is organized for the District Governor. The Club will participate in this joint reception event when appropriate; otherwise, the Club may hold its own reception event if a joint reception is not appropriate. The funding from the Club's General Fund of participation for the Club in a joint or individual reception is anticipated.

Public Service BBQ: (Arrangements are the responsibility of Club Service). The club hosts a BBQ for members of the Atascadero Fire Department, usually at the firehouse in

the fall. The event will be on Wednesday, October 19, 2016 in the evening, and the regular meeting will be dark that day. Firefighters, policemen, their significant others, and Rotarians and their significant others are invited to attend. The charge for this event is \$20, which includes one guest and will be charged to all members whether or not that member attends. All additional guests of Rotarians will be charged \$20 each.

Joint Board Meeting: (Arrangements are the responsibility of Club Service). The present Board will host a joint meeting for the boards near the end of the current Rotary year. This meeting is normally a dinner and will be paid for from the club general fund.

Comedown Party: (Arrangements are the responsibility of the Past President). The last weekly meeting of the year is a “Recognition” party for the outgoing president, usually held at the home of the past president or another Rotarian’s home in the evening. The club noon meeting will be **dark** on this day. Rotary spouses or significant others are invited to the Party. The charge for this event is \$20, which includes one guest and will be charged to all members whether or not that member attends. Additional guests will be charged \$20 each.

Crab Feed: (Arrangements are the responsibility of Club Service) The Crab Feed is a fundraiser for the Rotary Club of Atascadero. It is held during crab season and will be held in January or February unless otherwise determined. Interact members are typically asked to be servers for the event; thus, the date of the Crab Feed should be scheduled on a date different than the Atascadero High School’s Winter Formal dance.

Family Nights: (Arrangements are the responsibility of Club Service) Up to four special family nights will be organized during the year. The time and location will vary and the Regular Club Meeting will be dark that week. The dinner will be a low cost event and will focus on the entire family. The charge for the event is \$20, which includes a member and member’s family and will be charged to all members whether or not that member attends.

Take the Lead Conference: (Arrangements are the responsibility of Youth Service Chair) The Take the Lead Conference was started in 2002 by Club Member Joanne Main. The club will sponsor the Take the Lead Conference for high school students, both within and outside of the Atascadero School District. Sponsors from outside of the club will be sought to finance this event.

Financial Seminar: (Arrangements are the responsibility of the Youth Services Chair) The club will sponsor up to two Financial Seminar workshops annually for Seniors within the Atascadero School District.

Bertha Shultz Ice Cream Social: (Arrangements are the responsibility of the President of the Rotary Club of Atascadero Foundation). The club will sponsor an ice cream social, typically held at the same time as the City of Atascadero’s Children’s Day in the Park celebration. The ice cream social is in memory of Bertha Shultz who gave a sizeable contribution to the Club’s Foundation in Rotary Year 2013-14, and who also would take ice cream to the members of the City’s fire department.

Tuesday in the Park Bar-B-Que: (Arrangements are the responsibility of Club Service). This event is a fund raiser for the Club. The City of Atascadero’s Chamber of Commerce holds “Tuesday in the Park” bar-b-que during the summer, and the Club will host one of the nights. The night selected by the Club is randomly determined during a drawing by the Chamber of Commerce. The Club will make a deposit on the date they pick up the event tickets (tickets to be sold by club members), and at the conclusion of the event the Chamber will reconcile the revenue and expenses and issue the net funds to the Club.
