***Community Service** is exactly what the name implies — projects and activities each club undertakes to improve community life.*

***International Service** volunteers work to expand the Rotarians’ humanitarian work around the world. This important service promotes understanding and peace, sponsors projects in other countries and works with international partners to support projects in their communities.*

***Youth Service** works to engage youths and young adults in leadership roles. Rotary Youth Leadership Awards (RYLA) is a training program for young people, ages 14 to 30.
