Dear Friends of Summerlin Rotary Club

On behalf of Nevada Childhood Cancer Foundation (NVCCF,) I sincerely thank you for creating a most needed and wonderful holiday experience for J'vionn and his parents Charles and Ronnaya. Your generosity truly touched and overwhelmed the Gibson family.

The Gibson family was told of J'vionn's tragic diagnosis of osteosarcoma in 2018. Unfortunately, after traveling to UCLA for surgery and receiving the most intensive chemotherapy treatments, J'vionn's cancer continues to spread. This young man's diagnosis has resulted in financial crisis for a family trying to save the life of their son.

In 2020, NVCCF's Adopt-A-Family matched more families in need with donors than every before. COVID-19 compounded the financial and emotional stress on NVCCF families who experienced job loss and extreme isolation.

It is because of you, our Friends of Summerlin Rotary Club, that the Gibson family will look back on December 2020 with fond and grateful memories.

Each year, NVCCF provides:

- Over 20 programs and services to over 450 critically ill children and their families living in Southern Nevada
- Patient and family counseling at no cost
- Tutoring & education services for children missing school due to illness
- Financial support for families in crisis due to their child's diagnosis
- Over 20 healing arts and wellness services for adults touched by cancer
- Financial and counseling support for adults in cancer treatment
- Camp Cartwheel summer camp for over 200 critically ill children, their siblings, and children whose parents are diagnosed with cancer

NVCCF is a local non-profit and is NOT affiliated with any national or government organizations and therefore relies on the community for support.

Thank you so again so very much for your generosity. NVCCF is a 501 (c) 3 local non-profit organization - Tax ID # is 88-0302673.

Most Sincerely,

Jeff Gordon
