Requests for capital projects such as equipment, tools, etc. are made to enhance a teacher's unique ability to instruct students. Grants for field trips and non-capital expenditures must be used within 120 days of funding.

Grant requests for a current cycle will not be automatically carried forward to the next funding period. However, a teacher may resubmit a similar (or identical) request for an unfunded project in subsequent grant cycles.

The San Dimas Rotary requests that any teacher who receives an award submit some evidence that their project was completed successfully. Photos or newspaper articles submitted by teachers may be used to promote the Mini-Grant Program.
