Making music literacy fun and entertaining to our students is one of the more difficult parts of being a music teacher. With the supplies outlined below I will create a series of music based music literacy games that my students can use during class to engage in the content in an entertaining way. These games have been used by my peers to great success and can be adapted for any skill level. With your help I can make our Lone Hill Music classroom more fun and entertaining with the addition of games such as Musical Twister, Rhythm Bingo, and Floppy Fish. Attached is a spreadsheet with the items listed. Thank you for taking the time to review my application.

The deadline for this application period is December 16th, 2022

Requests for capital projects such as equipment, tools, etc. are made to enhance a teacher's unique ability to instruct students. Grants for field trips and non-capital expenditures must be used within 120 days of funding.

Grant requests for a current cycle will not be automatically carried forward to the next funding period. However, a teacher may resubmit a similar (or identical) request for an unfunded project in subsequent grant cycles.

The San Dimas Rotary requests that any teacher who receives an award submit some evidence that their project was completed successfully. Photos or newspaper articles submitted by teachers may be used to promote the Mini-Grant Program.
