

Ambassadorship

The Rotary Club of East Coachella actively reaches out to the East Coachella area to help the underserved grade school and high school students achieve their dreams. We welcome companies who wish to partner with us on this worthwhile campaign. Becoming an Ambassador member is a great way to support our goals and help your organization gain goodwill in the community.

Our monthly newsletters is a cost-effective medium for building relationships. It increases awareness by providing interesting stories on how members of the Rotary Club of East Coachella are improving our community.

The Ambassadorship program offers organizations special recognition through ads and articles that reinforce a positive image in the Coachella Valley area.
