Description

All Coachella Valley middle schools (6th, 7th, & 8th graders) are invited to participate in the annual day of math competition. Designed to stimulate interest in mathematics amongst Coachella Valley students and to allow them to demonstrate their math skills, students compete in team and individual events and competitions. After lunch the highlight is a fun and bolsterous awards assembly of 400-500 students, educators, family and friends who cheer loudly as the winners are announced and prizes and trophies are handed out. Students compete for first, second and third place in the various competitions and for the Top Mathematician Award while the schools compete for the right to take home a perpetual trophy.

Began in 1995 by then Indio Rotary Club President John Benoit, the event is supported by the other 13 valley Rotary Clubs (e.g., Palm Springs, Palm Springs Sunup, Palm Springs Evening Star, Desert Hot Springs, Cathedral City, Rancho Mirage, Palm Desert, Palm Desert-Palm to Pines, Indian Wells, La Quinta, Indio Sunrise, Coachella East, and Coachella Valley) and includes local sponsors Riverside County Supervisor John Benoit, Desert Sands Unified School District, John Glenn Middle School, the City of Indio Community Grants, Coachella Valley Community Trust, Amtec, Costco La Quinta, and Altura Credit Union.

Senior Center gets Rotary gift

INDIO — The Friends of the Indio Senior Center, a nonprofit organization that raises funds for the senior center on Aladdin Street, was recently awarded \$500 by the Indio Noon Rotary. The donation is for the future maintenance of a bus for the senior center, which FOISC soon hopes to purchase. "Hopefully in working with the city we're going to find a bus to buy for the center," said Nettie Washington, president of the Friends of the Indio Senior Center.
