The First Archibald's Drive-Thru and Restaurant Char-Broiler Opened on January 19, 2000, in Ontario.

Archibald's Drive-Thru and Restaurant Char-Broiler opened on January 19, 2000, in Ontario. At first, owner **Andy Sehremelis** considered becoming a franchisee, but decided to take his passion for good food and better service and create his own business. Restauranting runs in the family. Andy grew up working in his father's restaurant, starting to help out as early as six years old.

Archibald's Drive-Thru and Restaurant Char-Broiler serves a bit of everything. Our **food is fresh and made-to-order**. Whether you're in the mood for a thick, juicy burger, spicy jambalaya, or a hearty breakfast served at any hour, we have exactly what you need to fill up and be satisfied.

As a lifelong sports fan, Andy made sure that his restaurants had a sports theme.

We welcome sports fans of all ages to join us. Watch your favorite teams play during live game broadcasts on our flat-screen televisions.

Our small chain of restaurants is growing.

From Linda White, 4 Way Test Speech Contest Chair:

The Rotary 4 Way Test Speech Contest season begins February 2019. Each club decides a date for a contest which best suits its schedule. The competition will be held Saturday April 27th from 8am to 1pm. We will finalize the competition that day due to the District Conference being held at the end of June. The location has also changed; competition will take place at 3740 Park Sierra Drive Riverside CA 92505 (Across from Kaiser Hospital)

Please send me the name of your club contest representative by **April 20, 2019** along with a check made out to Rotary **District 5330 for \$50.00**. Please specify club name and name of the winner in the same correspondence. It is important that I receive this information a week prior to the elimination rounds as I schedule judges, coordinate the student panels, arrange snacks, assign my assistants and

fill out certificates for participants. If you have any questions, need help organizing a contest, need suggestions or help with the website, please call me.
