Letter of Resignation

From Claudine Schooley

December 7, 2024

Dear President Elly and Members of the Board,

Please receive my resignation as a member of Rotary E-Club of One World starting December 31, 2024. I will join the local club in Arizona, the rotary club of Oro Valley, District 5500. Since I moved to Oro Valley a little over two years, I started visiting the local club. I missed the meetings in-person and participating to community projects with other Rotarians.

I will be available to continue to work on the E-Club projects, global and district grants until the end of June 2025, the end of your presidency Elly. December 21, 2024 will be my last Peace meeting with the E-Club and I have no plan to continue those meetings. With my new club I am hoping to continue to partner with the e-club on future international projects.

Be assured that I appreciated working with all of you.

Claudine Schooley

Rotary E-Club of One World Past President and Director of International Services
