### **Dove Mountain and Oro Valley Clubs Social**

Amos and Charlene would like to host another joint social at their home with our two clubs on January 30, 2025. Details to follow.

### **District Digital Marketing Grant**

We held our first brainstorming meetings with over 15 clubs represented throughout the District. We'll be building the messaging and Google Ad campaigns with Anchor Wave over the next couple of weeks. We hope to launch the campaign in September.

Need to build a business Profile for our club, but we need a phone number contact. Ideally, that would be the Membership Chair – use a Google Phone number to mask the real phone number of the Chair.

### **Edge District Grant & Tutoring**

Grant money covers Edge 2024 school year. We spent \$583 in the first qtr of the school year (Jan – Apr). Plan on spending the rest of the grant funds through the end of the year. I was told that the grant was closed by mistake when they moved to DACdb. We still have money to spend on Edge through the end of the year.

Jane, Caryl and Karen will be tutoring in the Essay Writing class starting this Fall and Winter.
