What Is Interact?

Rotary International defines Interact as:

“...a club for youth ages 12-18 who want to connect with others in their community or school. Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding. While Interact clubs receive guidance from individual Rotary clubs, they govern and support themselves.”

Canyon Del Oro Interact:

- Interact Club at Canyon Del Oro HS was first established in 2021.
- Originally the club only had around 30 members majority being IB students and Upperclassmen.
- We have had a total of 3 presidents since then, and have grown exponentially.
- Now we have over 50 members who come from every corner of campus and every grade!

What Do Our Meetings Look Like?

- We meet the second and fourth week of each month
- Our meetings are on Wednesday in the Library
- Depending on what we are doing, our meetings are usually only 1 hour and usually range from 2:10pm to 3:00 pm.
- We start the meeting off with snacks and discussion of how previous service events went and what we have coming up.
- Every meeting we create greetings cards to Senior Citizens!
- Our last meeting we made Valentines notes to distribute around campus and created posters for our Hygiene Drive!
