## Signature Project Recognition

The **Signature Project Recognition** recognizes Rotary clubs for implementing an impactful service activity in alignment with the 2023-2024 Rotary Theme "Imagine". The activity is based on a community assessment (formal or informal), the inclusion of partners, engagement of Rotarians and community members, and an evaluation of the impact.

The successful service activity helped the club become stronger, deliver more effective service, and enhance its public image. By qualifying for the Signature Project Recognition, clubs contribute to Rotary's priorities and multiply the impact of their good work through the collective focus of 46,000 Rotary clubs around the world that work together to: Promote peace. Fight disease. Provide clean water, Save mothers and children, Support education, Grow local economies, promote inclusivity, Peace Project and Protect the environment.

Clubs have the entire year to accomplish the activity.
