

Human Trafficking/ Exploitation Prevention and Response

REGIONAL NAVIGATORS, HOUSING, SERVICES, AND OUTREACH PROVIDERS

The Minnesota Department of Health supports a statewide network of victim-centered, trauma-informed Safe Harbor and Labor Trafficking and Exploitation programs. Twelve Regional Navigators serve as points of contact in their communities and provide connections to services for youth. The Minnesota Department of Safety supports shelter and housing providers under Safe Harbor.

**Please note that the shelter and housing programs may take referrals from anywhere in the state.*

To find services statewide, call the Day One Crisis Hotline at 1-866-223-1111 or text: 612-399-9995
