What can I recycle?

- Cell phones
- Hair clippers
- Cordless vacuums
- Robot vacuum
- Laptops
- Bluetooth speakers
- Smart watches
- Video game controller
- Vapes (no tobacco residue inside)
- Wireless headphones
- Wireless keyboards/mice
- Electric scooter batteries
- Electric toothbrushes
- Electric shavers
- Mixers/blenders
- Electric lawn mower batteries
- Tablets
- E-readers
- Leaf/snow blowers batteries
- TV remote control
- E-bike batteries
- Power tool batteries
- Hearing aids
- Security camera

Please note:

To recycle your device with us, the item must contain a lithium-ion battery. It must **not** require a plugged-in cord to operate. We only accept rechargeable items with lithium-ion batteries.

What is NOT accepted?

- Flat screen TVs
- Printers
- Copiers
- Circuit Boards

If the item requires a plugged-in cord to operate, **we cannot accept it**. We are only able to accept wireless products with rechargeable lithium-ion batteries.

Do I need to remove the battery from the device before dropping it off?

No, you can drop the entire device in the collection bin.

Should I wipe my data?

Before dropping off a personal device, we encourage you to sign out of all your accounts, remove the SIM card and perform a factory reset to remove all personal data. Once received at Redwood (our processing location), devices are secured until they are recycled, ensuring any remaining personal information is completely destroyed.

Individuals recycling devices are responsible for wiping any personal data from devices prior to dropping them in the collection bin. Factory reset instructions:

Do I bring chargers & accessories?

You do NOT need to bring any accessories or chargers to recycle your item.

How many batteries and devices can I bring?

You can recycle as many approved devices or batteries as you like.
