***You are invited to join us at
The Rotary Club of
West St. Louis County***

We are your neighbors. As Rotarians:

- * We build new friendships and have fun (*Good networking opportunities*)
- * We improve communities (*Circle of Concern food pantry*)
- * We support schools (*School scholarships*) and youth (*YMCA's*)
- * We cure disease and save lives (*Worldwide Polio Eradication*)
- * We bridge continents & help build peace (*Student Exchanges, Scholarships*)

Founded in 1905, Rotary has grown to be an international volunteer organization with 1.4 million members and 46,000 clubs in 200 countries. Eastern Missouri has 57 local Rotary Clubs with over 2,600 members.

The heart of Rotary is its network of local Clubs made up of your neighbors and local business people who want to network while also contributing to their community, our country, and the world

Membership is open to adults of all ages - from recent graduates to retirees – people who want to meet new friends and help “Make a Difference”.

Rotary Clubs have meetings organized around networking, topical speakers, and often a meal. We chose our own projects and fundraisers and organize social functions throughout the year. Meet people, network, make new friends !
Rotarians are always welcome at other Rotary Clubs, locally and worldwide.
