

Rotary is an International Organization with over 1.2 million members spread across 35,000 clubs and log over 16 million volunteer hours annually with one goal - to create lasting change leading to a better world. As a global order we have focused on eliminating polio among other goals and the 35,000 clubs work to improve lives in the various communities we serve.

The Crestwood/Sunset Hills Rotary is the local chapter dedicated to serving the community where we live. Our efforts include:

- Feed the Knowledge: the club purchases a variety of non-perishable food items and school supplies and then distributes these to the Lindbergh and Mehlville school districts during the school year.
- Contributions to local non-profits: We make annual contributions on a regular basis to non-profit organizations that provide services to their constituents and the community.
- We have a vibrant Rotary Youth Exchange program and have hosted young men and women from all over the world.

We are not all work however – we also have social, fun, events including a fall picnic and happy hours at local restaurants. The goal is to create relationships between our members to promote lifelong friendships and commitments toward a common cause.

Any organization is only as strong as its members and we are always looking for those individuals who want to give back to the community. If you are one of those people and want to join a great group of members we would love to talk with you. You can reach us by emailing, texting, or calling.

To learn more feel free to visit the Rotary web-site, www.rotary.org, or the club web-site at www.cshrotary.com. You can also visit our Facebook page by searching on CSHRotary. Thank you for your time and interest.

David L Dilthey
President,
Crestwood Sunset Hills Rotary
