

## Kirkwood Rotary's Community Projects Over the Years.

If **YOU** know of any additional projects OR have info. and pics on these projects

please send them to:

[webmaster@KirkwoodRotary.org](mailto:webmaster@KirkwoodRotary.org).

Thank you.

Kirkwood Rotary has a long tradition of community projects. Here is a partial list:

- Quarry Park Look-out/Education platform.
- Walker Lake Dock (1992)
- Farmer's Market Pergola
- Mudd's Grove Library Bookshelves (2009)
- Mary Culver Home Refreshment Station
- Manor Grove Gazebo
- Meacham Park Garden Shelter (2013)
- Four Rotary Bike Racks (2014)
- Four Rotary Bike Racks (2015)
- Walker Lake Dock Rebuild (2019)
- Tree Plantings in KWD Park (2020)
- 

Additionally, since 1991, our club has handled the Greentree parade assembly at the Kirkwood High School's Essex Lot. Early volunteers were Hugh Bissel and Tom Zinselmeyer. They were later joined by Joe Walsh in 2000, by Lloyd Todd in 2006, Gerry DeWulf in 2008 and Rob Thomure in 2020. In 2015, the club formalized the club's involvement by establishing a special committee to oversee its parade efforts.
