

# Rotary Club of Kirkwood

A group of business professionals united to make our community and the world a better place.

The motto of Rotary: *Service Above Self*

## Why Rotary?

- Service
- Business Development
- Social
- Personal Growth
- Leadership Development

"It's more than just a meeting and lunch with friends. It's making a difference in my community and the world. No where else can you help fight to cure polio, help local charities, fund eye surgeries and water wells for people in India and Africa. And on top of all that, I've made business contacts and lifelong friends."
