Rotary

Club of Fulton, Missouri

May 1 noon at The Copper Mine Restaurant

Tyler Oberlag, Guest Services and Museum Operations, will share the details of the upcoming 50th anniversary celebration of American's National Churchill Museum, scheduled for this Friday, Saturday and Sunday.

An incredible amount of work, planning and brainstorming have been dedicated to the event, a highlight of which is a "really cool" parade with a big military presence, including a military band! Members of the Churchill family will be in the parade, and his granddaughter Edwina Sandys will visit people at her prized masterpiece, the Breakthrough sculpture.

Tyler will give us the times and details so we can be a part of this historical celebration.
